2025-2026 SUPPLEMENTAL FORM FOR ASP SCHOLARSHIPS/GRANTS

Which require demonstrated interest in Armenian Studies/Armenian Culture/Armenian Language.

Each year the Armenian Studies Program awards more than \$110,000 in scholarships from endowments given to the University to aid students interested in studying about Armenia and the Armenians. Awards range from \$500 to \$3,000 per year. These scholarships are for anyone taking Armenian Studies Program courses and not only for students of Armenian heritage. Students pursuing a Minor in Armenian Studies are usually guaranteed a scholarship. Additionally, each year there are several "Research Grants" awarded by the Armenian Studies Program to students with a high GPA interested in carrying out research in Armenian history, art, or literature under the direction of a faculty member.

Criteria in importance of evaluation:

- 1) List courses already taken in Armenian Studies at Fresno State or other universities.
- 2) Do you intend to complete a Minor in Armenian Studies?
- 3) List courses in Armenian Studies you plan to take in the coming fall and spring semesters.
- 4) List campus activities related to the Armenian Studies Program such as, participation in the Armenian Students Organization, the newspaper, ***Hye Sharzhoom***, special projects, etc. (If a freshman, describe your Armenian related activities in high school.)
- 5) List scholarships (with their amounts) you have received in the past through the Armenian Studies Program.

IMPORTANT NOTE: I understand that if I receive a scholarship of \$1,000 or less, that I must enroll in a minimum of three (3) units of Armenian Studies Program courses during the academic year of the award, and if I receive a scholarship that is more than \$1,000 I must enroll in six (6) units during the academic year of the award. Scholarship checks will be distributed after the fourth week rosters have been verified for enrollment in Armenian Studies courses. I also understand that I am required to attend the annual Armenian Studies Program awards banquet, on Sunday, March 22, 2026, during which I will be honored as a scholarship recipient.

I have read and agree to these conditions.
