We are living in a new age of Sci-Fi and Fantasy, including new projects from various sources such as *Game of Thrones*, *Star Wars*, and *Lord of the Rings*. New and rebooted films and shows are being made in a new era of concern for diversity, inclusion, and equity. What can we learn about diversity and inclusion from Sci-Fi and Fantasy? And how have concerns for diversity, equity, and inclusion changed Sci-Fi and Fantasy?

Join Fresno State faculty and students as we discuss diversity and inclusion in Sci-Fi and Fantasy.
