Pete Weber is our 2023 Ethical Leadership honoree. In September, he was featured in our 2023 “Celebration of Ethics” event, on KSEE-TV. In this lecture, he will offer reflection and inspiration on ethical leadership.

After a successful 36-year career in business, Mr. Weber retired early to dedicate himself to civic work. Mr. Weber is founder of the Heartland Chapter of the New California Coalition and co-chair emeritus of California Forward. He serves on the board of California Competes, co-chairs the working group for the California Inland Port, and serves as a senior advisor to the Deliberative Democracy Lab at Stanford University. He was a founding member of the California Partnership for the San Joaquin Valley, a longtime member of the Fresno Business Council, and is founder of the California Bridge Academies.
