

# FRESNO STATE DEPARTMENT OF THEATRE AND DANCE

## Guidelines for Design/Technology Scholarship Interviews

---

Design/Technology is a broad field that encompasses many careers in the Theatre Industry. Quite often our next designers, stage managers, and technicians find us because they have many skills that seem unrelated, until they find Theatre Design/Technology. Come and find out if this is a career path for you.

---

### Scholarship Audition Information:

Fresno State Department of Theatre and Dance Scholarship Interviews  
Saturday, February 26, 2022 at 11:00am

*Please complete ALL **FIVE** of the following steps prior to the day of auditions (February 26, 2022)*

#### 1. Design/Technology Scholarship Student Registration:

<https://forms.gle/2Dz2aWkAnPjqciLK7>

#### 2. Fresno State Scholarship Application:

<http://www.fresnostate.edu/studentaffairs/financialaid/scholarships/scholarshipapplication/index.html>

#### 3. Teacher Recommendation Form (To be filled out by your drama teacher):

<https://forms.gle/jXNUM1yR1TnmVTkG6>

#### 4. Prepare for your interview: See 'What Do You Prepare' below.

#### 5. Attend the in-person scholarship interview OR submit your portfolio with the registration form.

---

### What Do You Prepare?

- Be ready to answer the following questions:
    - What past experiences have you had in the design/tech area for theatre? *(if you have a resume, we'd love for you to submit it.)*
    - Why are you interested in the design/tech emphasis for Theatre Arts?
  - Although it is not required, you may submit examples of any work you have done that might be related to Design/Technology:
    - This includes photographs, models, renderings, drawings, sketches, etc.).
-
