

GRADUATE CURRICULUM

To advance the goals of our program, the graduate curriculum includes seminars in studio art, art history, art theory, topics courses, and studio courses. Students in all areas are encouraged to engage in processes of critique, research, and reflection, while also exploring interconnections with other disciplines. The M.A. in Art program has been a leader for many years in fostering positive awareness and scholarship in the study of gender, ethnicity, social issues, and world citizenship.
